```
G                  C
From the fist sight of you
G                  C
You're just nothin' to me
G                      C
I never thought I've fall for you
Am
But then I realized
C                         G-C
This fellin' of mine is true

G                C
By that time I met you
G                    C
I can't explain this feElin'
G                       C
My heart was filled with so much joy
Am
*And I feel the love
C                           D-Dsus-D
That I never ever felt before (2x *)

Chorus:

G              Bm            D-Dsus-D
I want you to be mine for ever
Em                     C              G
You're the only one that I'm dreamin' of
Am
Till that moment comes
C                   G (INTRO)
I'll be wating for you..
