Am
This is the greatest and best song in the world...   Tribute.
Am
Long time ago me and my brother Kyle here,
Am
We was hitchhikin' down a long and lonesome road.
Am
All of a sudden, there shined a shiny demon...
Am
In the middle of the road.
Am
And he said:
A5 (Palm-Muted)
"Play the best song in the world, or I'll eat your souls."
Am
Well me and Kyle, we looked at each other,
Am
And we each said...   "Okay"

Am                                  G
And we played the first thing that came to our heads,
F
Just so happened to be,
Am                   G             F
The Best Song in the World, it was The Best Song in the World.

D                           F
Look into my eyes and it's easy to see
        C                       G
One and one make two, two and one make three,
        F
It was destiny.
D                            F
Once every hundred-thousand years or so,
         C                        G
When the sun doth shine and the moon doth glow
         F
And the grass don't grow...

Am
Needless to say, the beast was stunned.
Am
Whip-crack went his schwumpy tail,
Am
And the beast was done.
Am
```

He asked us: "Be you angels?"
Am
And we said, "Nay. We are but men!"

ROCK!
