E                  B
She rings my bell
           E                  A
I've got gym class in half an hour
E                B

       E               B
And he'd simply kick
      E           A
My ass if he knew the truth
    E                B
He lives on my block
            E           A
And he drives an iroc
E              A               E      B
He doesn't know who I am
       E              A          E             B
And he doesn't give a damn about me

          E            B          E         A
Cause I'm just a teenage dirtbag baby
