Boulevard of Broken Dreams

Green Day

Guitar akkorder

Capo - 1st Fret

Intro: Em G D A (X2)

```
Em       G                    D          A               Em
I walk a lonely road the only one that I have ever known
                           G                              D
  A               Em G D A
Don't know where it goes but it's home to me and I walk alone
Em          G            D                A             Em
I walk this empty street on the boulevard of broken dreams
           G               D               A                Em
Where the city sleeps and I'm the only one and I walk alone
```

Bridge I:

```
         G                    D
I walk alone  I walk alone
          A
I walk Alone    I walk a...
```

(Chorus)

```
C    G                  D                     A
My shadow's the only one that walks beside me,
C   G          D                       A
My shallow heart's the only thing that's beating
C      G          D                               A
Sometimes I wish someone out there will find me
C    G      F#
Ttill then I walk alone
```

Bridge II:

```
Em     G
Ah-ah, ah-ah
D        A
Ah-ah, ah-ah (bis)

Em             G
I'm walking down the line
D                  A                Em
That divides me somewhere in my mind
           G                D
On the borderline of the edge
       A                 Em
And where I walk alone...
```

```
         G
Read between the lines
       D                    A               Em
of what's fucked up and everything's alright
                 G
Check my vital signs
     D
to know I'm still alive
                  Em
And I walk Alone

(Bridge I)

(Chorus)

(Bridge II) Once

Em          G               D              A               Em
I walk this empty street on the boulevard of broken dreams
                  G           D             A              Em
Where the city sleeps and I'm the only one and I walk alone

(Chorus)
```
