Introdução: F C A

```
F
Standing in line
                  C
To see the show tonight
                     Am
And there´s a light on heavy glow
F                  C
By the way I tried to say
     Am
I´d be there waiting for
F                                 C
Dani's the girl is singing songs to me
                     Am
Beneath the marquee...overload...
```

D (toque duas vezes,depois faça tipo riff, repetindo até o final deste trecho)

Steak knife, card shark, con job, boot cut

Skin that flick
She´s such a little DJ
To get there quick
By street but not the freeway
Turn that trick
To make a little leeway
Beat that nic
But not the way that we play

Dog town, blood bath
Rib cage, soft tail

D (toque duas vezes,depois faça tipo riff, repetindo até o final deste trecho)

Black Jack, dope dick, pawn shop, quick pick

Kiss that dyke
I know you want to hold one
Not on strike
But I´m about to bowl one
Bite that mic
I know you never stole one
Girls that like
A story, so I told one

Song bird, main line, cash back, hard top
