Breakfast at Tiffany's

Deep blue something

Guitar akkorder

Breakfast at Tiffany's (Deep blue something)

Intro: D G A x 2

```
     D       G           A          D
You say that we've got nothing in common
   G       A         D
No common ground to start from
G              A     D    G    A
And we're falling apart
        D        G        A        D
You'll say the world has come between us
    G           A        D
Our lives have come between us
G           A              D     G     A
But I know you just don't care
```

CHORUS:

```
    D                  A             G
And I said what about "Breakfast at Tiffany's?
 D                       A           G
She said, "I think I remember the film,
       D                       A          G
And as I recall, I think, we both kinda liked it."
    D                           A              G
And I said, "Well, that's the one thing we've got."
```

D G A x 2

```
   D            G    A        D
I see you - the only one who knew me
     G         A          D
And now your eyes see through me
    G   A       D     G     A
I guess I was wrong
    D             G        A         D
So what now? It's plain to see we're over,
       G          A          D
And I hate when things are over -
      G           A      D     G    A
When so much is left undone
```
