Well, love is all around me, and so the feeling grows
It's written on the wind, it's everywhere I go
So if you really love me, come on and let it show

Chorus.
(I pick the chords in random order, but you can strum as well)

```
     G                  Em
You know I love you, I always will
   G                      D
My mind's made up by the way that I feel
        G                       Em
There's no beginning, there'll be no end
(Em)                  A                 <<<<<- here was G instead of Em.
'Cause on my love you can depend                I think it's Em
```

I see your face before me as I lay on my bed
I kinda get to thinking of all the things we said
You gave your promise to me and I gave mine to you
I need someone beside me in everything I do

Chorus.

It's written on the wind, it's everywhere I go

So if you really love me, come on and let it show
Come on and let it show.... etc.
