It aint you babe

Johnny Cash

Guitar akkorder

Intro:A D A D A

```
A                Bm
Go 'way from my window,
A              E         A
Leave at your own chosen speed.
A                    Bm
I'm not the one you want, babe,
A           E       A
I'm not the one you need.
A                      Bm
You say you're lookin' for someone
A                     Bm
Never weak but always strong,
A                    Bm
To protect you an' defend you
A                        Bm
Whether you are right or wrong,

D                              E
Someone to open each and every door,
A
But it ain't me, babe,
D                    A
No, no, no, it ain't me, babe,
D                  E       A            D A D A
It ain't me you're lookin' for, babe.

A                    Bm
Go lightly from the ledge, babe,
A          E       A
Go lightly on the ground.
A                    Bm
I'm not the one you want, babe,
A            E       A
I will only let you down.
A                      Bm
You say you're lookin' for someone
A                         Bm
Who will promise never to part,
A                     Bm
Someone to close his eyes for you,
A                    Bm
```

Someone to close his heart,

D **E**
Someone who will die for you an' more,
A
But it ain't me, babe,
D **A**
No, no, no, it ain't me, babe,
D **E** **A** **D A D A**
It ain't me you're lookin' for, babe.

A **Bm**
You say you're looking for someone
A **Bm**
Who'll pick you up each time you fall,
A **Bm**
To gather flowers constantly
A **Bm**
An' to come each time you call,

D **E**
A lover for your life an' nothing more,
A
But it ain't me, babe,
D **A**
No, no, no, it ain't me, babe,
D **E** **A** **D A D A**
It ain't me you're lookin' for, babe.
