How far you go

Tim Christensen

Guitar akkorder

Riff 1:

```
         D
||-------2-----|
||-------3-----|
||-------2-----|
||-------0-----|
||-0-2-3-------|
||-------------|
```

Riff 2:

```
         B7
||-------2------|
||-------0------|
||-------2------|
||-----0-1------|
||-2-3---2------|
||--------------|
```

```
G           D
Something sweet
G             D
Everytime we meet
G           Em    Am
There's no doubt about it
    Riff1    D
But I wish I knew
     Riff2           B7
What I'm supposed to do
          Cadd9
With you Sirene

       G       D
'Cause you pretend
       G            D
to be more than a friend
 G             Em        Am
this is the sweetest feeling
      Riff1       D
But I don't understand
          Riff2      B7
If it's a part of a plan
       Cadd9
To be lying
       D
```

to me Sirene

```
      G
Still tonight I've falled for
     Am
The stars in your eyes
F      D
I apologize
    G               D
But I want you to know
        G
That my heart is broken
   Am
My high is low
F          D     Gsus4  G
That's how far you go

G     D
I can see
            G        D
what you're doing to me
    G       Em       Am
But I don't know the answer
      Riff1         D
And I just couldn't take
     Riff2       B7           Cadd9
If I make the mistake of not trying

    G     D
But easy come
    G    D
And easy go
    G             Em  Am
And I don't wanna cry about it
         Riff1        D
Now that I've got it clear
     Riff2      B7
That you only appear
       Cadd7
To be lying
       D
To me Sirene

     G
But, tonight I've falled for
    Am
The stars in your eyes
```

```
F      D
I apologize
      G           D
But I want you to know
        G
That my heart is broken
   Am
My high is low
F          D      Gsus4  G
That's how far you go
