I'm a Long Way from Home

'Jennings Shooter

Guitar akkorder

Intro:

```
e|-------------------------------------------------------------------------------|
B|----------3--------------------------------------------------------------------|
G|--------2----------------------------------------------------------------------|
D|------0------------------------------------------------------------------------|
A|----0--------------------------------------------------------------------------|
E|--3----------------------------------------------------------------------------|
```

_____

(chorus)

```
       G   A
I'm a long way from home
G      A
 And so all alone
G                 A                  D
 Homesick, like I never thought I'd be
       G   A
I'm a long way from home
G         A
 And everything is wrong
G               A          D
 Someone please watch over me
```

_____

```
D       D7                   G
I'm not accustomed to these feelings
A                                D
 The lonliness is burning in my soul
D             D7          G
Sometimes the mind is so misleading
A                                      D
I wish I'd stayed at home like I was told
```

_____

(chorus)

```
       G   A
I'm a long way from home
G      A
 And so all alone
G                 A                  D
 Homesick, like I never thought I'd be
       G   A
I'm a long way from home
G         A
```

```
 And everything is wrong
G               A          D
 Someone please watch over me
