CAPO 1

```
         B7                            E
I keep a close watch on this heart of mine
          B7                          E
I keep my eyes wide open all the time
            A                           E
I keep the ends out for the tie that binds
               B7               E
Because you're mine, I walk the line
```

A

```
          E                      A
I find it very, very easy to be true
         E                           A
I find myself alone when each day's through
           D                         A
Yes, I'll admit that I'm a fool for you
               E                A
Because you're mine, I walk the line
```

D

```
           A                          D
As sure as night is dark and day is light
           A                         D
I keep you on my mind both day and night
          G                                 D
And happiness I've known proves that it's right
               A                D
Because you're mine, I walk the line
```

A

```
             E                        A
You've got a way to keep me on your side
            E                             A
You give me cause for love that I can't hide
          D                               A
For you I know I'd even try to turn the tide
               E                A
Because you're mine, I walk the line
```

E

```
         B7                              E
I keep a close watch on this heart of mine
          B7                       E
I keep my eyes wide open all the time
           A                            E
I keep the ends out for the tie that binds
               B7                E
Because you're mine, I walk the line
```
