This is the end you know

Lady, the plans we had went all wrong

Am               FM7
Out of my life, Out of my mind

We need to swallow all our pride
               G(Bar)
And leave this mess behind
Am              FM7
Out of my head, Out of my bed
                  G
Out of the dreams we had, they're bad
         Em7        F
Tell them it's me who made you sad
                    G    Am
Tell them the fairytale gone bad

Am              FM7
Another night and I bleed
