It aint me babe(V2)

Johnny cash

Guitar akkorder

The other tab just didn't do Cash any respect, here's somethin that sounds a lot like
the original recording. Just start country pickin with your thumb, first the low E
string then the rest of the chord, in a 1-2-1-2-1-2-1-2(one, two, one , two) 4/4 rhythm.

Verse I

```
G               Am
Go away from my window
G                           Am
Leave at your own chosen speed
G                   Am
I'm not the one you want, babe
    G                Am
I'm not the one you need
```

Verse II

```
    G                   Am
You say you're lookin' for someone
            G                Am
Who's never weak but always strong
      G              Am
To protect you and defend you
        G                Am
Whether you are right or wrong
    C                           D
Someone to open each and every door
```

CHORUS

```
 __             G
[ But, it ain't me babe
[  G                   Am
[ No, no, no, it ain't me babe
[          C         D       G
[ It ain't me you're lookin' for, babe
[__
```

Verse III

```
      G              Am
Go lightly from the ledge babe
      G              Am
```

```
Go lightly on the ground
    G                Am
I'm not the one you want babe
      G            Am
I'll only let you down
```

Verse IV

```
     G                  Am
You say you're lookin for someone
        G                Am
Who'll promise never to part
     G                 Am
Someone to close his eyes for your
     G                 Am
Someone to close his heart
    C                       D
Someone to die for you and more!!!
```

Chorus

Verse V

```
    G                  Am
You say you're lookin for someone
    G                          Am
To pick you up each time you fall
   G              Am
To gather flowers constantly
   G                      Am
And to come each time you call
           C                                    D
And we'll love you for your life and nuthin more....
```

End with the Chorus
