Grandma Song

Phoebe Buffet

Guitar akkorder

```
G                    D
grandma's a person that everyone likes
      C                 G
she bought you a dress and a bright shiny bike
 G                   Em
lately she hasnt ben coming to dinner
     C                         D
and last time you saw her she looked s much thinner
      G                         D
your mom and your dad said she went to peru
     C                         G
the truth is she died and someday you will to
    G                         D
la la la la la la la la la la
    C                 G
la la la la la la la la la la

srry if some of the parts are wrong..=)
im not that sure about th lyrics..
