Monica

Phoebe Buffet

Guitar akkorder

```
A                    E
Twelve years old and addicted to pork
  D                        E                          D
No one thought Monica would marry
     A                   E
She knew her way around a knife and a fork
