Dreamer

Ozzy Osborne

Guitar akkorder

Dreamer

```
C                                Am
Gazing through the window at the world outside
C                               Am
wondering will Mother Earth survive
F                               Dm                     G
hoping that mankind will stop abusing Her........sometime

C                                Am
After all there's only just the two of us
    C                                    Am
and here we are still fighting for our lives
F                           Dm                                    G
watching all of history repeats itself.............time after time

(Omkvæd)
           C          Am             Em    G
I'm just a dreamer, I dream my life away
           C            Am               Em     G
I'm just a dreamer, who dreams of better days

  C                                  Am
I watch the sun go down like every one of us
    C                                   Am
I'm hoping that the dawn will bring a sign
  F                                     Dm                  G
a better place for those who will come after us......this time

(Omkvæd)

     Dm                           G
Your higher power maybe God or Jesus Christ
   Dm                              G
it doesn't really matter much to me
    Dm                                  G
without each others help there ain't no hope for us
    Dm                          G
I'm living in a dream of fantasy
```

(Mellemspil) C - Am - C - Am - F - Dm - G

```
   Dm                              G
If only we could all just find serenity
   Dm                                  G
it would be nice if we could live as one
Dm                                                          G
when will all this anger, hate and bigger dreams.........be gone
```

(Omkvæd)

```
           C            Am                Em               G
I'm just a dreamer, who searching for the way.............today
           C        Am                Em                              G
I'm just a dreamer, dreaming my life away.................oh-yeah-yeah-yeah
```
