```
G
It's another tequila sunrise
D                          AM
Starin' slowly cross the sky
D7         G
Said good bye.
G
He was just a hired hand
D                                  AM
Workin' on a dream he planned to try
D7           G
the days go by

EM                     C
Every night when the sun goes down
EM             C             EM
just another lonely boy in town
AM                       D7
and she's out runnin' round

G
She wasnt just another woman
D                                  AM
And I couldnt keep from comin' on
D7             G
It's been so long
G
Oh and it's a hollow feelin'
D                                  AM
When it comes down to dealin' friends
D7         G
It never ends.

AM             D
Take another shot of courage
BM               E                  AM
Wonder why the right words never come
B              Em7          A
You just get numb

G
It's another tequila sunrise
D                                  AM
This old world still looks the same
