```
G         D           Em
   If I leave here tomorrow
F             C            D
   Would you still remember me
G            D           Em
   For I must be travelin on now
F                          C            D
   Cause there is too many places I've got to see
G         D            Em
   If I stay here with you girl
F                    C             D
   Well things just couldn't be the same
G            D        Em
   Cause I'm free as a bird now
F          C                  D
   And this bird you'll never chain
F          C                D
   And this bird you cannot chain
F          C                D
   And this bird you cannot chain
F       C             D
   Lord knows I can't change
