Who will stop the rain

Guitar akkorder

```
G          G         C               G
Long as I remember, the rain been coming down
      G          G           C             G
clouds of mystry pouring, confusion on the ground
      C           G           C              G
good men through the ages, trying to find the sun
     C          D              EM             G
and I wonder, still I wonder, who`ll stop the rain

I went down Virginia, seeking shelter from the storm

cought up in the fable, I watched the tower grow

five year plans and new deals, wrapped in golden chains

and I wonder, still I wonder, who`ll stop the rain

Heard the singers playing, how they cheered for more

the crowd had rushed together, tryin` to keep warm

still the rain kept pouring, falling on my ears

and I wonder, still I wonder, who`ll stop the rain.
