Some other time Some other place

We might not have been here standin' face to face

I just wanna tell ya made up my mind
G        D               G
You know I can't help the way I feel inside

The streets are empty the lights are down
Ain't nothin' movin' this side of town
So come on over ain't hard to please
Oh baby - what you get ain't always what you need

Oh this hearts on fire it's getting hotter now can't you see
Oh this hearts on fire from now on baby it's gonna be you and me
```

```
C            G        D        A
Risin' to my feet I can feel the heat it's tryin' to pull me under

Runnin' through the night I can make it right it's coming on like thunder
