Bm                                  D
A million suns are glowing in the night
             F#m
everything is quiet
                    A
except for all the voices in my head
               Bm
that say your name
                     D
tonight I'm letting go
               F#m      E
about to give iiiiiiiiiin

A    E
I surrender myself
Bm                 D                    E A
into the arms of a beautiful stranger
A    E                Bm
I surrender myself to you
   D
To you

A    E
I surrender myself
Bm                 D                   E A
into the arms of a beautiful stranger
A    E                Bm
I surrender myself to you
```

```
   D
To you

There is only one bridge left for me
my heart is almost free
Beautiful by my side
but all I think about is you
tonight I'm letting go
about to give in

-----------------------------------------------------------------

A    E
I surrender myself
Bm                 D                   E A
into the arms of a beautiful stranger
A    E                Bm
I surrender myself to you
   D
To you

A    E
I surrender myself
Bm                 D                   E A
into the arms of a beautiful stranger
A    E                Bm
I surrender myself to you
                A    E    Bm   D
Who really loves me
                A    E    Bm   D
you really love me
              A     E   Bm   D
My beautiful stranger
    A           E       B      A
you really love me like I love you.
