A                                 G    D
She took my heart away,
A                                 G    D
She said, I had it comin' to me,
A                                 G    D
But I wanted it that way.
D                                 F    G
I think that any love is good lovin',

A                             G    D
Cause I found out for sure.
A                             G    D
