enterlude

the killers

Keyboard akkorder

her er enterlude med the killers

```
      Am        C         F
We hope you enjoy your stay
         Am                G             F                     C   G/B
And it's good to have you with us, even if it's just for the day
    Am        G          C    F
We hope you enjoy your stay
   Am               G                        F              C   G/B
Outside the sun is shining, it seems like heaven ain't far away
         Am                G             F                     C
And it's good to have you with us, even if it's just for the day
```

jeg kan ikke hjælpe med soloen da jeg ikke kan spille klaver eller keyboard
