1.  Here I`am, I`m on my own
  for the first time really on my own
  F        G               C       F
  So will I make it will it work allright
     F          G                  F   C
    (So)  can I make it through the night

                          F   G    G6     Am    Fmaj7  G        G6  Am
Chorus:         And I go  uh  uh   uh  uh  uh    uh    uh I am flying
                  F   G    G6     Am    Fmaj7  G           F C
                 uh  uh   uh  uh  uh    uh   uh  in open space

2.  Look at me I`m riding high
     On the airborne must he rap the sky
     And ev`rything he need me seems to fade
     without a trace without a shake
```
