Fat

Violent Femmes

Guitar akkorder

Verse 1:

```
   G       D   G
I hope you got fat
  C                    G
I hope you got really fat
              D
'Cause if you got really really fat
    C
You just might want to see me come back
G          D   G
I hope you got fat
```

Verse 2:

```
        G
I don't care how heavy or how skinny
        C        G
I don't care how heavy or how skinny
     D     C     G
Just gimme gimme something to love
```

Bridge:

```
C
A little extra weight Would never look no nicer on nobody else but
G
you
D
And I could always use a little bit more to hold on to
D
And If I get a fright in the middle of the night

I'll cling to you
```
