Where is the love
               F
The love, the love

It just ain't the same, always unchanged
New days are strange, is the world insane
If love and peace is so strong
Why are there pieces of love that don't belong
Nations droppin' bombs
Chemical gasses fillin' lungs of little ones
With the ongoin' sufferin' as the youth die young
So ask yourself is the lovin' really gone
So I could ask myself really what is goin' wrong
In this world that we livin' in people keep on givin'
in
Makin' wrong decisions, only visions of them dividends
Not respectin' each other, deny thy brother
A war is goin' on but the reason's undercover
The truth is kept secret, it's swept under the rug
If you never know truth then you never know love
Where's the love, y'all, come on (I don't know)
Where's the truth, y'all, come on (I don't know)
Where's the love, y'all

Where is the love
                 F
The love, the love

I feel the weight of the world on my shoulder
As I'm gettin' older, y'all, people gets colder
Most of us only care about money makin'
Selfishness got us followin' in the wrong direction
Wrong information always shown by the media
Negative images is the main criteria
Infecting the young minds faster than bacteria
Kids act like what they see in the cinema
Yo', whatever happened to the values of humanity
Whatever happened to the fairness in equality
Instead in spreading love we spreading animosity
Lack of understanding, leading lives away from unity
That's the reason why sometimes I'm feelin' under
That's the reason why sometimes I'm feelin' down
There's no wonder why sometimes I'm feelin' under
Gotta keep my faith alive till love is found
