Sorry, Blame It On Me

Akon

Guitar akkorder

```
C                                   G
I'm sorry for the times that I left you home
                             Am
I was on the road and you were alone
                                  F
I'm sorry for the times that I had to go
                                C
I'm sorry for the fact that I did not know
C                                G
That you were sitting home just wishing we
                                  Am
Could go back to when it was just you and me
                                F
I'm sorry for the times I would ne-glect
                           C
I'm sorry for the times I disrespect
C                                   G
I'm sorry for the wrong things that I've done
                                Am
I'm sorry I'm not always there for my sons
                                F
I'm sorry for the fact that I'm not a-ware
                                     C
That you can't sleep at night when I am not there
C                             G
Because I'm in the streets like everyday
                                  Am
I'm sorry for the things that I did not say
                                  F
Like how you are the best thing in my world
                                C
And how I'm so proud to call you my girl
C                             G
I understand that there's some problems
                         Am
And I'm not too blind to know
                            F
All the pain you kept inside you
                         C
Even though you might not show
C                             G
If I can't apologize for being wrong
                       Am
Then it's just a shame on me
                           F
I'll be the reason for your pain
```

```
                          C
And you can put the blame on me
C                      G
You can put the blame on me
                     Am
You can put the blame on me
                     F
You can put the blame on me
                     C
You can put the blame on me
C                           G
Said you can put the blame on me
                           Am
Said you can put the blame on me
                            F
Said you can put the blame on me
                     C
You can put the blame on me
```

Have a good time, knus Gittpodija
