Torn - Natalie Imbruglia

---

*Single Version*

**[Transcribed by TNT SHWE]**

Notes:

Play the rhythm acoustically and the lead section (reminiscent of the lead sections from James' "She's A Star") in the Coda electrically. I could tell you what the settings are, but since all amps differ, it would be a better idea to go and tra in yourself to find these settings yourself! The chords in brackets are the transition chords and are played for a much shorter period than the chords out of brackets. Transition chords are used to "musically fuse" two chords together!

Recommended Chord Positions:

| | |
|---|---|
| Am | xO221O |
| **Bb** | **x13331** |
| C | x32O1O |
| Dm | xxO231 |
| F | 133211 |
| Gm | 355333 |

**Intro:**

**F Bb F Gm**

**Verse 1:**

**F** **Am**
I thought I saw a man brought to life

**Bb**
He was warm, he came around like he was dignified

He showed me what it was to cry

**F** **Am**

Well you couldn't be that man I adored

You don't seem to know

Bb
Don't seem to care what your heart is for

But I don't know him anymore

Pre Chorus 1:

Dm
There's nothing where he used to lie

C
My conversation has run dry

Am
That's what's going on

C
Nothing's fine

F
I'm torn

**Chorus 1:**

(F) C Dm
I'm all out of faith, this is how I feel

Bb F
I'm cold and I am shamed, lying naked on the floor

C Dm
Illusion never changed, into something real

Bb F
I'm wide awake and I can see, the perfect sky is torn

C Dm (C) Bb
You're a little late, I'm already torn

**Verse 2:**

F Am

So I guess the fortune teller's right

**Bb**
I should have seen just what was there and not some holy light

But you crawl beneath my veins and now

Pre Chorus 2:

(Same chords and rhythm as Pre Chorus 1)

I don't care, I have no luck

I don't miss it all that much

There's just so many things

That I can't touch

I'm torn

**Chorus 2:**

(Same as Chorus 1)

**Bridge:**

```
  Dm  (C)  Bb       Dm            F          C
Torn...             Ooooh...  Hoo ooooh...  Ooooh
```

Pre Chorus 3:

(Same chords and rhythm as Pre Choruses 1 and 2)

There's nothing where he used to lie

My inspiration has run dry

That's what's going on

Nothing's right

I'm torn

**Chorus 3:**

```
          (F)                    C                  Dm
             I'm all out of faith, this is how I feel

                               Bb                              F
             I'm cold and I am shamed, lying naked on the floor

                               C                         Dm
             Illusion never changed, into something real

                              Bb                                  F
             I'm wide awake and I can see, the perfect sky is torn

                              C                  Dm
             I'm all out of faith, this is how I feel

                               Bb                                 F
             I'm cold and I am shamed, bound and broken on the floor

                             C                    Dm  (C)  Bb
             You're a little late, I'm already torn
```

**Outro:**

          Dm   C
          Torn...  [much wailing]

          Ooh...
```

**Outro/Solo:**

```
               (Same rhythm as Choruses)  [To Fade]
```

```

This a Fantastic Song. I have listenend to this track repeatedly and I feel that this is pretty close, I have limited knowledge of Chords, so the Build-Up is no doubt using Chords, If so, please contact me and tell me what they are.
