Intro

G Em C (2x)

```
  G           Em          C                   G
    C
Trouble is her only friend and he's back again
  G           Em          C          G
    C
Makes her body older than it really is
  G                         Em
And she says it's high time she went away
     C                       G    Em     C
No ones got much to say in this time
  G           Em          C     G    Bm
Trouble is the only way is down,   down, down
```

[chorus]

```
  G
As strong as you were
             Em
Tender you got
                    Bm
I'm watching you breathing
               C
For the last time
                  G
A song for your heart
             Em
But when it is quiet
                    Bm
I know what it means
               C
And I'll carry you home
                  G
I'll carry you home
```

G Em C 2x

[vers2]

```
  G                              Em
If she had wings she would fly away
         C                              G    Em     C
And another day god will give her some
  G           Em          C     G    Bm
Trouble is the only way is down,    down,down

[chorus]
 G
As strong as you were
              Em
Tender you got
                              Bm              C*
I'm watching you breathing for the last time
                  G
A song for your heart
                Em
But when it is quiet
                  Bm
I know what it means
                C*
I'll carry you home
                 G
I'll carry you home

[bridge]
  C                    G
And they all want pretty
                    Bm
New York City lights
  C                    G                              Bm
And summers little girl has been taken from the world tonight
  C          G          Bm
But the stars and stripes

[chorus 2x]
  G
As strong as you were
            Em
Tender you got
                            Bm               C
I'm watching you breathing for the last time
                    G
A song for your heart
                Em
But when it is quiet
                 Bm
I know what it means
                      C
And i'll carry you home
```

```
                G       Em       C
I'll carry you home

[outro]
G      Em      C     G
```
