G#
To the music vibe
(gentag de fire akkorder C#m A E G#)
And the boys chase the girls, with curls in their hair

While the shocked too many sit way over there

And the songs get louder each one better than before

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

where you gonna go, where you gonna go, where you gonna sleep tonight?

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

Where you gonna go, where you gonna go, where you gonna sleep tonight?

Where you gonna sleep tonight

So you’re heading down the road in your taxi for 4

And you’re waiting outside jimmy’s front door

But nobody’s in and nobody’s home till 4

So you’re sitting there with nothing to do

Talking about Robert Ragger and his 1 leg crew

And where you gonna go, where you gonna sleep tonight?

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

Oh where you gonna go, where you gonna go, where you gonna sleep tonight?

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

Where you gonna go, where you gonna go, where you gonna sleep tonight?

Where you gonna sleep tonight

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

Oh where you gonna go, where you gonna go, where you gonna sleep tonight?

And you singing the song thinking this is the life

And you wake up in the morning and your head feels twice the size

where you gonna go, where you gonna go, where you gonna sleep tonight?

Where you gonna sleep tonight?
