Knocin on heavens door

Bob Dylan

Guitar akkorder

```
D       A                   Em
Momma, take this badge from me,
D       A          G
I can't use it anymore.
D         A               Em
Is get'n dark to dark to see,
D             A                     Em
Feels like i'm knockin on heavens door.

D               A                 Em
Knock, knock, knockin' on heavens door, (ai, ai ai ai)
D               A                 G
Knock, knock, knockin' on heavens door.
D               A                 Em
Knock, knock, knockin' on heavens door,
D               A                 G
Knock, knock, knockin' on heavens door.

D               A          Em
Momma, put my guns in the ground,
D        A            G
I can't shoot them anymore.
D                A               Em
That long black cloud is, coming down,
D               A                  Em
Feels like a'm knockin' on heavens door.

D               A                 Em
Knock, knock, knockin' on heavens door, (ai, ai ai ai)
D               A                 G
Knock, knock, knockin' on heavens door.
D               A                 Em
Knock, knock, knockin' on heavens door,
D               A                 G
Knock, knock, knockin' on heavens door.   X2
```
