Little Wing.

Bas akkorder

```
Em                  G
Well she’s walking through the clouds
Am                       Em
With a circus mind that’s running wild
B B                B
  Butterflies and zebras
Bb     Am      Am      C         C
   And moonbeams and a fairy tale
G  G              F
   That’s all she ever thinks about
C C          Dx8
  Riding the wind
       Em               G
When Im sad she comes to me
       Am                   Em
With a thousand smiles she gives to me free
B B           B          Bb          Am Am
  Its alright she says...its alright
     C                C        G G
Take anything you want from me
F        F
Anything
C C             Dx8 (mellem dem)
  Fly on little wing Yeah, yeah, yeah
              Em......
Fly on little wing....
