D              C               G                 D
it was 1989, my thoughts were short, my hair was long
D            C        G             D
Caught somewhere between a boy and a man
D        C             G
She was 17 and she was far from in between
       D             C        G
It was summertime in Northern Michigan

D     C    G

   D              C         G
Splashin' thru the sandbar, talkin' by the campfire
          D               C                 G
It's the simple things in life like when and where
    D            C             G
We didn't have no internet, but man I never will forget
    D                C              G
The way the moonlight shined upon her hair

           D                C                   G
And we were tryin' different things and we were smokin' funny things
       D               C                   G
Makin' love out by the lake to our favorite songs
        D              C          G
Sippin' whisky out the bottle not thinkin' 'bout tomorrow
        D             C        G            D  C  G
Singin' sweet home alabama all summer long
        D             C        G
Singin' sweet home alabama all summer long

         D               C            G
Catchin' walleye from the dock watchin' waves roll off the rocks
          D             C             G
She'll forever hold a spot inside my soul
      D             C               G
We'd blister in the sun we couldn't wait for night to come
   D             C               G
```

To hit that sandy place of rock 'n roll

----Omkvæd----

```
    D                C                   G
Now nothin' seems as strange as when the leaves began to change
   D                   C                G
Oh how we thought those days would never end
    D                 C             G
Sometimes I hear that song and I'll start to sing along
          D               C               G
And think man I'd like to see that girl again
```
