Somthing You Should Know

Michael Learns To Rock

Guitar akkorder

Intro
Med vibration i takt til musikken.
D... D, C#, B, A.

1.vers

```
D               E
Drifting back to time gone by, She was in my life!
G          A        D - c# - B - A
Know im wachting her... from my car.
D                  E
someone bougth her roller scates, gonna imaturnate.
G        A        G
did somebody els... take my place.

bro.

F#
She is getting closer,
        D    B     G
and there is a rolled window down
    D          A            D - C# - B - A
i spoke, and then she turned around.
```

omkvæd

```
Bm     G                 A                     G               A
..    There is somthing you should know! I can never let you go...! because i miss you so!

Bm    G              A                  G               A
..    Baby when the time is right...! Together we'll be flying! to get you in my life!

Solo stykke

D# - A - B - A -B
```

omkvæd2.

```
D#     A                 B                     A               B
..    There is somthing you should know! I can never let you go...! because i miss you so!

D#    A              B                  A               B
..    Baby when the time is right...! Together we'll be flying! to get you in my life!

og så videre...

BEMÆRK
dette er ikke formen af sangen, men der er akkorder til hele sangen, så må i bare selv
  sætte de sidste vers og broer på.
