E    3        x        x

I tabbed this off a live version, I strum it differently then he does, but if you
keep time it sounds good

Intro:

```
----3-----3-----0-----0-----3-----3-----3-----3----
----3-----3-----2-----2-----2-----2-----2-----2----
----0-----0-----2-----2-----3-----3-----3-----3---- (play twice)
----0-----0-----2-----2--0--0--0--0--0--0--0--0----
----2-----2--0--0--0--0----------------------------
-3--3--3--3----------------------------------------
```

continue that pattern the entire way through song, you always strum D four times,
except during the first line of the two verses, G and A are always strummed twice

Verse 1

```
     D      G               A           D
Dear Penis, I don't think I like you anymore

    G               A                   D
You used to watch me shave, now all you do is stare at the floor

        G              A           D
Oh Dear Penis, I don't like you anymore

G                 A           D
It used be me and you a paper towel and a dirty magazine

G            A             D
Thats all we needed to get by

G            A                          D
Now it seems things have changed and I think that youre the one to blame
```

```
     G            A           D
Dear Penis I dont like you anymore
```

Verse 2
(he sings)

```
     D    G           A           D
Dear Rodney I dont think I like you anymore

G                     A                    D
Cause when you get to drinkin', you put me places I've never been before

   G             A        D
Oh Rodney I dont like you anymore

G                 A                 D
Why can't we just get a grip on our man to hand relationship

G                  A            D
Come to terms with truly how we feel

G             A              D
If we put our heads together, we can just stay home forever

     G                A              D
Dear Penis, I think I like you after all

       G                  A                 D
Oh and Rodney while youre shavin', shave my balls
