**Intro: Em C D (x n times)**

```
Em          C
I saw the morning
         D
it was shattered by a gun
           Em              C
heard the scream, saw him fall
         D
no one cried

Em         C
I saw a mother
           D
she was praying for her son
           Em             C
bring him back, let him live
               D
don't let him die

Em           D
do you ever asked yourself
             Bm           G
is there a heaven in the sky....
                      A
why can't we get it right?

          D                        Bm
'cause we all live under the same sun
    D                         Bm
we all walk under the same moon (yeah!)
      G    Gm                D
then why? why? , can't we live as one?

Em          C
I saw the evening
          D
fading shadows one by one
                Em            C
we watched the lamb lay down to
        D
the sacrifice
```

```
Em            C
I saw the children
       D
the children of the sun
          Em              C
how they wept, how they bled
           D
how they died

Em           D
do you ever asked yourself
             Bm           G
is there a heaven in the sky....
                         A
why can't we stop the fight?

           D                        Bm
'cause we all live under the same sun
    D                   Bm
we all walk under the same moon (yeah!)
      G    Gm                        D      D7
then why? why? , can't we live as one?
```

**BRIDGE:**

```
   Bm                         G
Sometimes I think I'm going mad
    ( day after day, day after day)
                       Gm
we are losing all we had
    ( day after day, day after day)
                     D
and no one seem to care, yeah!
    ( day after day, day after day)

   Bm                         G
But in my heart it doesn't change
    ( day after day, day after day)
                  Gm
we've got to rearrange
    ( day after day, day after day)
                              D
and bring our world some love, yeah!, yeah!
    ( day after day, day after day)

SOLO: D Bm G Gm (x2 times)

     Em              D
```

```
And does it really matter?
              Bm         G
if there's a heaven up above
                           A

           D                       Bm
'cause we all live under the same sky
    D                        Bm
we all look up at the same stars (yeah!)
      G    Gm                      D      A
then why? why? , can't we live as one?  (hey!)

           D                       Bm
'cause we all live under the same sun

we all walk under the same moon (yeah!)
    D                       Bm
