```
        C                           Am
I`ve heard there was a secret chord
        C                            Am
that David played and it pleased the Lord
      F                           G                    C
but you don't really care for music do you
                                              F                  G
Well it goes like this the fourth the fifth
        Am                   F
the minor fall the major lift
       G                    Em                    Am
the baffled king composing hallelujah

          F                 Am            F                C
Hallelujah, hallelujah, hallelujah, hallelujah
```
2.
```
          C                                                  Am
Well your faith was strong but you needed proof
         C                                      Am
you saw her bathing on the roof
       F                          G                    C
her beauty and the moonlight overthrew ya
                                  F              G
she tied you trough a kitchen chair
       Am                                        F
she broke your throne and she cut your hair
      G                Em                                 Am
and from your lips she drew the hallelujah.

          F                 Am            F               C
Hallelujah, hallelujah, hallelujah, hallelujah
```
3.
```
         C                              Am
Baby I've been here before
         C                                                    Am
I've seen this room and I've walked this floor
        F                           G                      C
You know, I used to live alone before I knew ya
                                          F                     G
And I've seen your flag on the marble arch
      Am                               F
```

and love is not a victory march
G Em Am
it's a cold and it's a broken hallelujah

F Am F C
Hallelujah, hallelujah, hallelujah, hallelujah
4.
C Am
Well there was a time when you let me know
C Am
what's really going on below
F G C
but now you never show that to me do ya
F G
but remember when I moved in you
Am G
and the Holy dove was moving too
G Em Am
and every breath we drew was hallelujah

F Am F C
Hallelujah, hallelujah, hallelujah, hallelujah
5.
C Am
Well maybe there's a God above
C Am
but all I've ever learned from love
F G C
was how to shoot somebody who outdrew ya
F G
And it's not a cry that you hear at night
Am G
it's not somebody who's seen the light
G Em Am
it's a cold and it's a broken hallelujah
