Right next to the right one

Guitar akkorder

Tim Christensen - Right Next To The Right One
Tuning: Down one half tone (Eb-Ab-Db-Gb-Bb-Eb)

Intro: Am (hit it ones)

Verse:
```
Am              G             Am     G
What if we were ment to be together
Am              G              C   E  E7
what if YOU were ment to be the one
Am             G
I could hide a million years,
    Am     G             Am
And try to believe, that anytime
    G           F                    G
The girl in my, will come and rescue me.
```

Chorus:
```
                 C
Cause you're the fire, you're the one
             F                                 G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7               G     C
If you don't know, you're right next to the right one
```

Verse:
```
Am             G                Am      G
In the end you got a friend for lifetime, hmm...
Am              G            Am     G
Truely there to truely care for you
  Am         G
I know you cry a million tears
   Am         G
So I want you to know
       Am           G
That a pretty face can take you
        F        G
places, you don't wanna go.
```

Chorus:

```
                C
Cause you're the fire, you're the one
             F                                  G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7                G     C
If you don't know, you're right next to the right one
```

Contrast:

|Am G Am G| - |Am Dm E G E| x2

```
Am             G               Am             G
In the end it all depends on wether you're fine,
Am              G                  F               Gsus
warm embrace, when I replace the one you had in mind.
```

Chorus:

```
                C
Cause you're the fire, you're the one
             F                                  G
But you will never see the sun, if you don't know
                          C     C7
You're right next to the right one
        C
I could call it many names,
        F
But its myself I need to blame,
             D7           Dm7                G     C
If you don't know, you're right next to the right one
```
