Keyboard akkorder

INTRO: Em Am G B7 Em X2

```
Em                Am          G
My girl, my girl, don't lie to me
     B7                     Em
Tell me where did you sleep last night
Em
In the pines, in the pines
          Am         G
Where the sun don't ever shine
      B7                  Em
I would shiver the whole night through

My girl, my girl, where will you go
I'm going where the cold wind blows
In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

Her husband, was a hard working man
Just about a mile from here
His head was found in a driving wheel
But his body never was found

Repeat first verse

Interlude: Em Am G B7 Em X2

Repeat second verse gently
This part must be loudly and an energy

Em                     Am          G
My girl, my girl, don't lie to me
        B7                                    Em
Tell me where did you sleep last night

In the pines, in the pines
                   Am                    G
Where the sun don't ever shine
            B7                                    Em
