E--1---1--  -g-  -3---3-  -5------5---5---5---5---4----3---2-|
   Show her some respect...
```

Then the chorus, and now:

Octaves

```
e-------------------------------------------------  ---------------|
B-------------------------------------------------  ---------------|
G--13-14-16-18-13-14-16-18-13-14-16-18-21-19-18-16-  -14--11--13--9-|
D-------------------------------------------------  ---------------|
```

```
A--11-12-14-16-11-12-14-16-11-12-14-16-19-17-16-14-  -12---9--11--7-|
E-------------------------------------------------  ---------------|
```

(On an acoustic guitar the octave part can be played like this instead)

```
   D    E      F#m    A                                  D   E
e--2------------2------------                         ---2----------|
B--3------------2-----2------                         ---3----------|
G--2----1-------2-----2------                         ---2---1------|
D-------2-------4-----2------                         -------2------|
A-------2-------4------------                         -------2------|
E---------------2------------                         --------------|
```

Outro

```
e ---------9--------------9-|
H -------10-10----------10--|
G -----11-----11------11----| Do this couple of times
D ---11---------11--11------| and end with a strum:
A --9-------------9---------|
E ---------------------------|
```

```
e --9------|
H --10-----|
G --11-----|
D --11-----|
A --9------|
E --9------|
```

After the first chorus the picking pattern alters and goes like this:

```
e--------------------------|
B--------------------------|
G--------7-----------5-----|
D----6-----6---6---6---6---| and so forth through the other chords.
A--7---7---------7-------7-|
E--------------------------|
```
