Why do birds suddenly appear  every time you are near

Fmaj7                          Cmaj7
Just like me, they long to be Close to you

       Fmaj7                           E7sus4  E7  Em7           Am7
Why do stars start fall down from the sky  every time you walk by?

Fmaj7                          Cmaj7
Just like me, they long to be Close to you

On the day that you were born the angels got together

      Em7                            A7sus4 A7
And decided to create a dream come true

         F
So they springled moon dust in your hair of gold and starlight in
             G
your eyes of blue

        Fmaj7               E7sus4 E7    Em7      Am7
That is why all the boys in town  follow you all around

Fmaj7                          Cmaj7       C
Just like me, they long to be Close to you
