The Middle

Jimmy Eat World

Guitar akkorder

```
-------------------------------------------------------------------------------|
-------------------------------------------------------------------------------|
-------------------------------------------------------------------------------|
-------------------------------------------------------------------------------|
-99-5555555555-9999-77----55555555444444455555555---|
-----------------------99999999999999---------------------------------|
```

D **A**
Hey, don't write yourself off yet.
G **A** **D**
It's only in your head you feel left out or looked down on.
D **A**
Just try your best, try everything you can.
G **A** **D**
And don't you worry what they tell themselves when you're away.

CHORUS

D **A**
It just takes some time, little girl you're in the middle of the ride everything,
G **D**
Everything will be just fine, everything, everything will be all right (all right)

D **A**
Hey, you know they're all the same.
G **A** **D**
You know you're doing better on your own, so don't buy in.
D **A**
Live right now. Yeah, just be yourself.
G **A** **D**
It doesn't matter if it's good enough for someone else.

(Repeat CHORUS)

D **A**
Hey, don't write yourself off yet.
G **A** **D**
It's only in your head you feel left out or looked down on.
D **A**
Just do your best, do everything you can.
G **A** **D**
And don't you worry what the bitter hearts are gonna say.

(Repeat CHORUS x2)

END on D

I recommend you use these power chords, not the secondary chords.

D – x577xxx (or D2 – xx0230) A – 5776xx (or A2 –
G – 3554xx (or 3200xx)

For the D2 and A2, mute the low E sting with your index finger.
