Guitar akkorder

I verset (wake up osv..) skal G'et tages som et D i 7. bånd - sådan her: 7

I anden halvdel af verset kan man tage akkorderne sådan her:

```
            G    Hm     Em    Em7      C    G

        e|--7----7----|--7-----7----|--8----3---|
        B|--8----7----|--8-----8----|--8----3---|
        G|--7----7----|--9-----7----|--9----4---|
        D|--0----0----|--9-----9----|--10---5---|
        A|--x----x----|--7-----7----|--10---5---|
        E|--x----x----|--7-----7----|--8----3---|
```

Jeg har sat akkorder på åuåh-stykket selv om de egentlig synger a capella.

Og her er den så:

```
         G            Hm             Em           Hm
Come on boys, come on girls In this crazy, crazy world
           C                    G                  Am          D
You’re the diamonds, you’re the pearls let’s make a new tomorrow,
