What Is Happening

Alphabeat

Guitar akkorder

CAPO 2nd FRET

```
          G
Oh when I said
              Bm
I need you so much

I was scared
       Em                        D
I was alive when you were right here
      Dmaj7   D
By my side

              G
We both could see
              Bm
That I needed you, you needed me
           Em
And now we both regret,
  D
Regret what we said
      Dmaj7   D
When we said

Em        Bm        C
Don't you ever come back
          Bm
Don't you ever come
Em        Bm        C
Don't you ever come back
      D
Don't you

G              Em
Don't go out tonight
               Bm
Baby can't you see
                     C
What is happening to you?
        D  (Dmaj7  D)
What is happening?
G              Em
```

```
Don't go out tonight
               Bm
Baby can't you see
                     C
What is happening to you?
        D           Dmaj7
What is happening?

         G              Bm
So who's fault is it anyway
                     Em
Don't say you don't know
                      D   (Dmaj7  D)
We both know that we made a mistake
             G                Bm
It's hard to live together forever
            Em
Well that's what they say
                          D       (Dmaj7  D)
We still regret when we said what we said

         G              Bm
So who's fault is it anyway
                     Em
Don't say you don't know
                      D    (Dmaj7  D)
We both know that we made a mistake
             G                Bm
It's hard to live together forever
                       Em
Well that's what they say
                          D
We still regret what we said what we said
  (Dmaj7  D)
When we said

Em          Bm        C
Don't you ever come back
           Bm
Don't you ever come
Em         Bm        C
Don't you ever come back
      D
Don't you

G              Em
Don't go out tonight
```

```
               Bm
Baby can't you see
                     C
What is happening to you?
        D  (Dmaj7  D)
What is happening?
G              Em
Don't go out tonight
               Bm
Baby can't you see
                     C
What is happening to you?
        D           Dmaj7
What is happening?

G (x4)

G    Em    Bm    C    D
Ooooooooooooooooh.
G    Em    Bm    C    D
Ooooooooooooooooh.

          G
Oh when I said
              Em
I need you so much

I was scared
       Bm                         C
I was alive when you were right here
      D   (Dmaj7   D)
By my side

            G
We both could see
              Em
That I needed you, you needed me
           Bm
And now we both regret,
  C            D
Regret what we said yeah yeah yeah

G              Em
Don't go out tonight
               Bm
Baby can't you see
                     C
```

What is happening to you?
        D (Dmaj7 D)
What is happening? ey!

G   **Em**
Don't go out tonight
                Bm
Baby can't you see
                      C
What is happening to you?
        D
What is happening?

G   **Em**
Don't go out tonight, no
                Bm
Baby can't you see
                      C
What is happening to you? yeah yeah yeah yeah yeah yeah yeah yeah!
        D (Dmaj7 D)
What is happening? ey!

G   **Em**
Don't go out tonight, no
                Bm
Baby can't you see, don't go
                      C
What is happening to you?
        D
What is happening?
