Capo I

D G A G

```
D                  G           A          F#m
It s a little bit funny this feeling inside
Bm                             Bm7     G
I'm not one of those who can easily hide
D                  A           F#m       Bm
I don't have much money but, boy if I did
D              Em            G              A
I'd buy a big house where, we both could live

D           G          A                F#m
If I was a sculptor, but then again, no
Bm                                  Bm7       G
Or a man who makes potions in a traveling show
D               A                   F#m         Bm
I know it's not much, but it's the best I can do
D              Em         G               A
My gift is my song and, this one's for you

A                 Bm          Em            G
And you can tell everybody, this is your song
A          Bm                 Em             G
It may be quite simple but, now that it's done
  Bm
I hope you don't mind, I hope you don t mind,
       Bm7          G
that I put down in words
    D          Em              G              A
How wonderful life is, while you're in the world

D             G          A               F#m
I sat on the roof and, kicked off the moss
Bm                                      Bm7           G
Well a few of the verses well, they've got me quite cross
D                          A              F#m         Bm
But the sun's been quite kind, while I wrote this song
D                     Em         G               A
It's for people like you, that keep it turned on

     D           G             A               F#m
So excuse me forgetting but, these things I do
    Bm                                 Bm7                 G
You see I've forgotten if they're, green or they're blue
```

```
D           A          F#m           Bm
Anyway, the thing is, what I really mean
D             Em             G         A
Yours are the sweetest eyes, I've ever seen

A                Bm         Em           G
And you can tell everybody, this is your song
A         Bm                Em            G
It may be quite simple but, now that it's done
  Bm
I hope you don't mind, I hope you don t mind,
       Bm7         G
that I put down in words
    D         Em             G             A
How wonderful life is, while you're in the world

  Bm                      Bm7
I hope you don't mind, I hope you don t mind,
       Bm         G
that I put down in words
    D         Em             G             A
How wonderful life is, while you're in the world
