Bringing Back Tomorrow

Mads Langer Feat. Tim Christensen

Guitar akkorder

Vers:

```
F                                    Eb
Lately I ‘ve been trying to tell you
   Db                               Bdm
That lately I have lost my way
      Ab                                                G
Really need for you to make your mind up
      C
Here today
 F                                              Eb
Gonna make a promise to be braver
   Db                                             Bdm
Brave enough to change my mind
    Ab                                  G
Sick of being on my best behavior
C                 A
All the time

 Omk:
 G
Bringing back tomorrow
                                 A
I will always follow you
              Bm        A
You can call me crazy
  G
Chasing down the sunshine
                                       A
I’ll be reaching for the moon
                Bm         A           D
You can call me crazy
```

Vers:

```
 F                                  Eb
Tell me what it is you're after
     Db                                      Bdm
Something keeps on haunting me
    Ab                                         G
Do you really need a knight in armor
          C
To feel free
F                                                 Eb
Lately I ‘ve being trying to reach for
   Db                                  Bdm
```

Something I can hold on to
  Ab **G**
Never I’m meant to build an army, holding
  C **A**
On to you

You can call me crazy
  G
Chasing down the sunshine
 A
I’ll be reaching for the moon
 Bm **A** **D**
You can call me crazy

Bridge:
D **F**
A kind of clarity
 C
So far from sanity
 D
You are close to me
 F
In strange serenity
 D **A**
You can call me crazy nooooooooow

Omk.
G **A**
Åååååh Åååååh
 Bm **A**
You can call me crazy
 G
Bringing back tomorrow
 Bm
I will always follow you
 A **Bm**
you can call me crazy

Omk.
 G **Bm**
Åååååh Åååååh

```
               A         Bm               D
you can call me crazy
```
