Someone Like You

Adele

Guitar akkorder

Vers 1

```
D  A                     C#m
I....  heard that you're settled down
         F#m                     D
That you found a girl and you're married now.
A                C#m
I heard that your dreams came true.
          F#m                      D
Guess she gave you things I didn't give to you.

A                       C#m
Old friend, why are you so shy?
           F#m                 D
Ain't like you to hold back or hide from the light.

B-styk.

  E                           F#m
I hate to turn up out of the blue uninvited
      D
But I couldn't stay away, I couldn't fight it.
      E                             F#m
I had hoped you'd see my face and that you'd be reminded
         D
That for me it isn't over.
```

Omkvæd:

```
A                E            F#m      D
Never mind, I'll find someone like you
       A               E        F#m D
I wish nothing but the best for you too
         A         E
Don't forget me, I beg
        F#m        D
I'll remember you said,
              A                  E                    F#m   D
"Sometimes it lasts in love but sometimes it hurts instead,
             A                  E                   F#m   D
Sometimes it lasts in love but sometimes it hurts instead"
```

Vers 2

You know how the time flies
Only yesterday was the time of our lives
We were born and raised
In a summer haze
Bound by the surprise of our glory days

B-styk

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it.
I'd hoped you'd see my face and that you'd be reminded
That for me it isn't over.

Omkvæd

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg
I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead."

E/B
Nothing compares No worries or cares
F#m/C#
Regrets and mistakes They are memories made.
D
Who would have known
          Bm   C#m5+   D
How bittersweet this would taste?

Omkvæd

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg
I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead".

Omkvæd

Never mind, I'll find someone like you
I wish nothing but the best for you too
Don't forget me, I beg
I'll remember you said,
"Sometimes it lasts in love but sometimes it hurts instead,
Sometimes it lasts in love but sometimes it hurts instead."
