Abba

Guitar akkorder

```
E           F#m7      F#m7/A      B7          E  F#m7 E
I'm nothing special in fact I'm a bit of a bore
   A                    A5+                F#m7  B7 B7/9-
If I tell a joke, you've probably heard it before
    E                  F#m7      B7
But I have a talent, a wonderful thing, 'cause
E        E5+          A          Am
Ev'ryone listens when I start to sing
       C#m               C#9/5+
I'm so grateful and proud
      F#m        F#m/E       B7
All I want is to sing it out loud.
```

Who can live without it?
  Ab     C#m      A                   Am
I ask in all honesty, what would life be
          E       E7/D            C#7
Without A song or dance, what are we? second chorus:(E Am   E      Am)

E           F#m7    F#m7/A   B7           E    F#m7 E
Mother says I was a dancer before I could walk
    A               A5+                      F#m7  B7 B7/9-
She says I began to sing long before I could talk
    E                       B7         B7/5+
And I’ve often wondered, how did it all start
    E              E5+           A           Am
Who found out that nothing could capture her heart
       C#m        C#m5+
Like a melody can
     F#m        F#m/E      B7
Well whoever it was, I’m a fan
```

chorus

```
Am           E              Am               E
I've been so lucky I am the girl with golden hair
