C----10-------------10---10-----------10---7-----------7---7-----------7-----
G--9-------------------8----------------6---------------0---------------0---
```

```
D-------------------------------------------------------------------------------
```

B-verse:

```
(1.)     Girl in a glassbow dressed in white_____________________________
(2.,4.)  Sleeping forever in a bubble of blue___________________________
(3.)     And in the garden is a cheap hotel_____________________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F----------0------------0--------------0-------------------------------------
C------2------2------3-----3-------0h2------2-----------0--------------------
G---0--------------------------3------------------0h2-------2---------------
D-----------------1----------------------------3-----------------------------

(1.)     Happy enough to commit suicide_________________________________
(2.,4.)  would you like to see her point of view_____________________
(3.)     Only invited if you thing went well_____________________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F----------0------------0--------------0-------------------------------------
C------2------2------3-----3-------0h2------2-----------0--------------------
G---0--------------------------3------------------0h2-------2---------------
D-----------------1----------------------------3-----------------------------

(1.)      She said, silver's meant to forever_____________________
(2.,4.)   She said, silver's meant to forever_____________________
(3.)      She said, silver's meant to forever_____________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F----------0------------0--------------0-------------------------------------
C------2------2------3-----3-------0h2------2-----------0--------------------
G---0--------------------------3------------------0h2-------2---------------
D-----------------1----------------------------3-----------------------------
(2. and 4. time)
  Forever_____________________________forever oh_____________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F---------4-----------5-----------5-----------5-----------5-----4-----0----2-
C------2-----2-----3-----3-----4-----4-----3-----3-----2-----2-----2-------2-
G---0-----------0-----------0-----------0-----------0----------------------0-
D-------------------------------------------------------------------------------
```

chorus:

```
         Say my   name          Silverflame    and     take  control
D------------------3-------------------------------------------------------------
A-----------------------------------6-----------------------5------------
F----2—----4h5------------2------4h5-------------2------4h5-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
          Of my   heart  (and)  of my  mind     and    of my   soul
```

```
D------------------3-------------------------------------------------------------
A-----------------------------------6-----------------------5------------
F----2—----4h5------------2------4h5-------------2------4h5-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
    oh  what a   shame        Silverflame     that you can’t  burn
D------------------3-------------------------------------------------------------
A-----------------------------------6-----------------------5------------
F----—----4h5-----------------4h5-------------------4h5---------------------
C----3-------------------3---------------------3-----------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

  forever_____________________
D-----------------------------------------------------
A-----5---5---3--3--3-----------------------------------
F-----5---5---4--4--4-----------------------------------
C-----5---5---5--5--5-----------------------------------
G-----------------------------------------------------
D-----------------------------------------------------

         Say my   name          Silverflame    and     take  control
D------------------3-------------------------------------------------------------
A-----------------------------------6-----------------------5------------
F----2—----4h5------------2------4h5-------------2------4h5-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
          Of my   heart  (and)  of my  mind     and    of my   soul

G---0--------------------------3-----------------0h2-------2----------------
D-----------------1-----------------------------3-----------------------------
  ooooh  yeah_____________________________________________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F----------0-----------0--------------0-------------------------------------
C------2------2------3-----3-------0h2------2-----------0--------------------
G---0--------------------------3-----------------0h2-------2----------------
D-----------------1-----------------------------3-----------------------------
  aaaahhh_____________________________________________________
D-------------------------------------------------------------------------------
A-------------------------------------------------------------------------------
F---------4----------5----------5----------5----------5-----4-----0------
C------2-----2-----3-----3-----4-----4-----3-----3-----2-----2-----2---------
G---0----------0----------0----------0----------0-------------------------
D-------------------------------------------------------------------------------
```

3. og 4. verse (B-verse)
chorus

chorus (again)

```
  Ooooooooooooooooooooohhhhhhhhhhhhhhhhhhh_____________________________
D-----------------3-------------------------------------------------------------
A-----------------------------------6----------------------5------------
F----2—----4h5----------2------4h5----------2------4h5-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
  Ooooooooooooooooooooohhhhhhhhhhhhhhhhhhh_____________________________
D-----------------3-------------------------------------------------------------
A-----------------------------------6----------------------5------------
F----2—----4h5----------2------4h5----------2------4h5-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
  yeah_____________________________________________
D-----------------3-------------------------------------------------------------
A-----------------------------------6----------------------5------------
F----—----4h5----------------4h5-----------------4h5--------------------
C----3----------------3--------------------3-----------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

D-------------------------------------------------------------------------------
A-----5---5---3--3--3-------------------------------------------------------
F-----5---5---4--4--4-------------------------------------------------------
C-----5---5---5--5--5-------------------------------------------------------
```

```
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
```

Solo:

guitar 1:
sologuitar (couldn't play that!)

guitar 2 plays the chorus-riff 2 or 3 times, then move the riff 3 frets up:

```
D-----------------6-------------------------------------------------------------
A-----------------------------------9-----------------------8-------------------
F----5-----7h8---------5-----7h8--------------5-----7h8----------------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

D-----------------6-------------------------------------------------------------
A-----------------------------------9-----------------------8-------------------
F----5-----7h8---------5-----7h8--------------5-----7h8----------------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

D-----------------6-------------------------------------------------------------
A-----------------------------------9-----------------------8-------------------
F-----------7h8---------------7h8--------------------7h8----------------------
C----6-----------------6----------------------6-------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

D-------------------------------------------------------------------------------
A---8--8---6--6--6----------------------------------------------------------
F---8--8---7--7--7----------------------------------------------------------
C---8--8---8--8--8----------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
```

Solo stops.

outro:
guitar 1:

```
D-------------------------------------------------------------------------------
A-----------------11------------------------------------------------------------
F-----------------------------------13----------------------12-----------
C---10----12h13----------10----12h13------------10------12h13----------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------
```

Guitar 2:

```
D------------------6-------------------------------------------------------------
A-----------------------------------9-----------------------8-----------
```

```
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-----------------------------------------------------------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 1:
D-----------------------------------------------------------------------------
A-----------------11------------------------------------------------------------
F-------------------------------------------13----------------------12----------
C---10----12h13----------10----12h13------------10------12h13----------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 2:
D------------------6------------------------------------------------------------
A-------------------------------------------9----------------------8----------
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-----------------------------------------------------------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 1:
D-----------------------------------------------------------------------------
A-----------------11------------------------------------------------------------
F-------------------------------------------13----------------------12----------
C---------12h13----------------12h13--------------------12h13----------------
G----11------------------11----------------------11---------------------------
D-----------------------------------------------------------------------------

Guitar 2:
D------------------6------------------------------------------------------------
A-------------------------------------------9----------------------8----------
F----------7h8------------------7h8----------------------7h8-----------------
C----6-------------------6----------------------6---------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 1:
D-----------------------------------------------------------------------------
A---8--8---6--6--6-------------------------------------------------------------
F---8--8---7--7--7-------------------------------------------------------------
C---8--8---8--8--8-------------------------------------------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 2:
D-----------------------------------------------------------------------------
A---8--8---6--6--6-------------------------------------------------------------
F---8--8---7--7--7-------------------------------------------------------------
C---8--8---8--8--8-------------------------------------------------------------
G-----------------------------------------------------------------------------
```

```
D-------------------------------------------------------------------------------

Guitar 1:
D-------------------------------------------------------------------------------
A------------------8---------------------------------------------------------
F-----------------------------------------10----------------------8-----------
C---10----8h10-----------10----8h10-------------10-------8h10-----------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

Guitar 2:
D------------------6---------------------------------------------------------
A-----------------------------------------9----------------------8-----------
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

Guitar 1:
D-------------------------------------------------------------------------------
A------------------8---------------------------------------------------------
F-----------------------------------------10----------------------8-----------
C---10----8h10-----------10----8h10-------------10-------8h10-----------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

Guitar 2:
D------------------6---------------------------------------------------------
A-----------------------------------------9----------------------8-----------
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-------------------------------------------------------------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

Guitar 1:
D-------------------------------------------------------------------------------
A------------------8---------------------------------------------------------
F-----------------------------------------10----------------------8-----------
C---------8h10-----------------8h10----------------------8h10-----------------
G---11-------------------11--------------------11-----------------------------
D-------------------------------------------------------------------------------

Guitar 2:
D------------------6---------------------------------------------------------
A-----------------------------------------9----------------------8-----------
F-----------7h8------------------7h8----------------------7h8-----------------
C----6-------------------6----------------------6-----------------------------
G-------------------------------------------------------------------------------
D-------------------------------------------------------------------------------

Guitar 1:
```

```
D-------------------------------------------------------------------------
A------------------8-------------------------------------------------------
F---------------------------------------10----------------------8-----------
C---10----8h10-----------10----8h10-------------10-------8h10----------------
G-------------------------------------------------------------------------
D-------------------------------------------------------------------------
```

Guitar 2:

```
D------------------6-------------------------------------------------------
A---------------------------------------9----------------------8-----------
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-------------------------------------------------------------------------
G-------------------------------------------------------------------------
D-------------------------------------------------------------------------
```

Guitar 1:

```
D-------------------------------------------------------------------------
A------------------8-------------------------------------------------------
F---------------------------------------10----------------------8-----------
C---10----8h10-----------10----8h10-------------10-------8h10----------------
G-------------------------------------------------------------------------
D-------------------------------------------------------------------------
```

Guitar 2:

```
D------------------6-------------------------------------------------------
A---------------------------------------9----------------------8-----------
F----5-----7h8------------5-----7h8--------------5-------7h8-----------------
C-------------------------------------------------------------------------
G-------------------------------------------------------------------------
D-------------------------------------------------------------------------
```

Guitar 1:

```
D-------------------------------------------------------------------------
A------------------8-------------------------------------------------------
F---------------------------------------10----------------------8-----------
C---------8h10-----------------8h10---------------------8h10----------------
G---11-------------------11--------------------11----------------------------
D-------------------------------------------------------------------------
```

Guitar 2:

```
D------------------6-------------------------------------------------------
A---------------------------------------9----------------------8-----------
F-----------7h8------------------7h8----------------------7h8-----------------
C----6-------------------6----------------------6----------------------------
G-------------------------------------------------------------------------
D-------------------------------------------------------------------------
```

Guitar 1:

```
D-------------------------------------------------------------------------
A---8--8---6--6--6-----------------------------------------------------------
F---8--8---7--7--7---8-------------------------------------------------------
```

```
C---8--8---8--8--8-------------------------------------------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------

Guitar 2:
D-----------------------------------------------------------------------------
A---8--8---6--6--6-------------------------------------------------------------
F---8--8---7--7--7---8---------------------------------------------------------
C---8--8---8--8--8-------------------------------------------------------------
G-----------------------------------------------------------------------------
D-----------------------------------------------------------------------------
```
