Clean guitar chorus during chorus

D#, Gm, D#, Gm, Am, Esus4, G#, A#

Distortion guitar in 2nd chorus plays something like this. It's hard to hear so I'm entirely sure.

The guitar solo. Now this isn't 100% correct. The fast parts I just improvised myself,
so you can get an idea of how it's played. So DON'T play the fast parts exactly how I
them written!

The looping guitar part after this is very tricky. It's playing open Cs and muted notes
a weird time signature that comes back in time with the 4/4 stuff every 5 measures or
It can be very hard to get down if you're playing it live.

All the other stuff played during this part is a keyboard, the only guitar is the looping one!

Go back to the weird time signature part.

Then the verse riff.

Now for the crazy riff.

```
   S S S S S S S S S S S S S S S S
|----------------------------------|
|----------------------------------|
|----------------------------------|
|----------------------------------|
|--1-2-3-0-3-4-5-0-1-2-3-0-5-6-5-0-|
|--1-2-3-0-------0-1-2-3-0-------0-|
```

Back to the chorus and the part after that.
Verse riff again.

Part III

Clean guitar.

```
   Q.     E  Q    E  E
|-----------------------|
|-----------------------|
|------------5-------2--|
|---------3-------3-----|
|--5--------------------|

```

```

---------------------|---------3-------3-----|---------------------3-----|
---------------------|--5--------------------|-------5--5--5s--7--------|
---------------------|-----------------------|--------------------------|
```

Every few measures it goes to this

```
  Q.     E  Q    E  E     W                   Q.     E  Q    E  E
-----------------------|-------------------|-----------------------|

```

```
---------7-------7-----|--L----------------|---------7-------7-----|
----------------------|-------------------|-----------------------|
--8--------------------|-------------------|--8--------------------|
----------------------|-------------------|-----------------------|
```

There's also a 2nd guitar playing this part an octave higher. Or it could be 1 string
guitar, I'm not really sure.

Clean part right before solo. Outro guitar solo!
